

VR 2.25/2.75

VANDAL RESISTANT • VANDAL PROOF WARRANTY

The **CabLite®** VR vandal resistant down lighting series, provides high quality light disbursement with the added protection needed for public access lighting applications. This robust, architecturally attractive design, optimizes our anti-vandal technology by utilizing an integral mechanical fastening system that cannot be removed from inside the cab without the provided security tool.

THE CABLITE® VR ADVANTAGE

- **Certified Elevator Product**, CSA compliant, TUV Listed, meets all ASME A17.1 code requirements for general and emergency lighting.
- **Vandal Resistant**, Dimmable LED Lighting, specifically designed for 24/7 continuous use in Elevators.
- **Virtually Vandal Proof Fixture** cannot be removed from the cab, yet allows for any future servicing requirements to be carried out via building maintenance personnel from inside of cab.
- **Low Profile Fixture Design** allows for increased ceiling heights.
- **ECO-Friendly**, Energy Efficient, low wattage, LED lighting helps reduce carbon footprint, while protecting your lighting investment from vandalism.
- **Consistent Led Color Rendering**, available in Warm White, Natural White and Crisp Bright White for superior video recording imagery.
- **Superior Cab Illumination** providing code compliant light levels via our wide-angle lens, projecting an even light disbursement which eliminates unsightly light reflections and LED pixilation in the cab.
- **5 - Year Vandal Proof** - Limited Warranty

OPTIONAL ACCESSORIES

- **Emergency Lighting** – battery backup for two or more lights; exceeds all code requirements.
- **Energy Saving** auto light & fan control – lights on/ lights off technology for unoccupied cabs.
- **Custom Colors** and finishes available.
- **Universal Adapter Plates** - Upgrade any oversized existing ceiling hole dimension.
- **Cartop Light Covers** for flexible conduit connectivity and Car Top Step protection.
