

EGG CRATE CEILING REPLACEMENT KITS

Cablite® LED ceiling conversion kits transform unsightly egg-crate and translucent drop ceilings into a modern environmentally friendly LED down light ceiling, utilizing your existing frame or new frame design.

THE CABLITE CEILING ADVANTAGE

- **Cost Effective Upgrade**, 50% less than conventional ceilings.
- **Attractive Modern** LED down light ceiling utilizing your existing frame.
- **Eliminates Unsightly** dirty or broken egg-crate and translucent panels.
- **Meets All Elevator Code Requirements** for fire resistant panels and light levels providing for overall passenger comfort and safety.
- **Easily Installs** with lightweight panels and hardware.
- **Comes Complete** with our Cablite® “ECO” LED lighting, specifically designed for 24/7 continuous use.
- **Reduced Maintenance**, eliminates the constant need to replace light bulbs and ballasts.

Optional Accessories

- **New Frame** change the design and look of the existing symmetrical lay-out.
- **Customer Choice** of standard and custom colors
- **Energy Saving** auto light and fan control for unoccupied cabs.
- **Emergency Lighting** battery back-up.
- **Upgradeable** to our vandal resistant LED Lighting.
