

RESIDENTIAL DOOR OPERATOR

ACCORDION GATE / LULA/ AND LIGHT WEIGHT COMMERCIAL APPLICATIONS

Model: 3000 Linear operators

Part No. ECIA045.00009786

Standard Model(s) 3000-29, 3000-32,
 3000-36, 3000-42, 3000-45

Clear door openings from 29" to 45"

Custom size operators available

The ECI 3000 series of linear door operators offer smooth, quiet and powerful direct drive linear motion. Its robust commercial grade multi-application design provides the perfect choice for residential accordion gate, LULA (Limited Use Limited Access) and medium weight commercial elevator doors. Incorporating the very latest in closed loop door technology requiring no limit switches and universal installation, providing for either left or right-hand operation. It's state-of-the-art LCD door control interface offers faster setup and parameter adjustments in real time via the on-board LCD display.

FEATURES

- Ultra quiet direct drive linear motion
- Brushless DC motor for long life maintenance free operation
- Closed loop Door control provides for absolute door positioning
- Requires No (Micro) Limit Switches automatically learns position of adjustable door stops
- Universal Installation Non-handed, can be used on both left and right-handed applications
- Includes Door (System) Coupling Connection Bracketing: Magnetic Break-a-way
- User friendly Set-up-through on-board LCD display
- LED Indicator lights for door position
- Speed and Torque adjustments
